PROJECTS

Detailed information and live demonstrations of projects can be found on my Github profile (see above)

Full-stack Twitter Clone | *React, TypeScript, Next.js, Firebase, Tailwind CSS*
- Utilises Firebase authentication to provide secure login functionality
- Stores and retrieves user data, tweets and other related information through Firestore backend
- Demo account feature available to provide a quick way to explore the clone without the need for sign-up
- Authentic Twitter-like design ensuring a immersive user experience

E-Commerce Game Store | *React, Tailwind CSS, React Router, Context API, Framer Motion*
- An E-Commerce store for video games featuring modern, fluid and high-performance animations
- 'Like' feature and the ability to add games to your wishlist or shopping cart
- Filter options available to refine game selection based on genres, or by using the search bar
- Visually appealing and fully responsive user interface, providing an enjoyable browsing experience

Personal Portfolio Website | *React, TypeScript, Tailwind CSS, Framer Motion*
- My personal site featuring a clean and modern UX/UI design with a focus on simplicity and visual appeal
- Smooth scroll-based animations implemented with Framer Motion to enhance interactivity and engagement
- Contact form submission functionality using the library EmailJS, ensuring seamless communication
- Fully responsive design, guaranteeing a consistent and user-friendly experience across all devices

CV Builder | *React, JavaScript, CSS, Git*
- Enables lightning fast CV creation, offering a live preview to visualise changes in real-time
- Allows users to save their CV as a downloadable PDF through conversion of components via jsPDF library
- Autofill functionality, which populates the CV with sample data thereby providing visual representation of a completed CV

EXPERIENCE

Retail Team Member   Mar 2021 - Aug 2022
Happy Mart Blackburn   *Melbourne, VIC*
- Assisted customers with inquiries, providing friendly service to enhance their shopping experience
- Collaborated with team members to ensure smooth store operations, fostering a productive work environment
- Maintained optimal stock levels on shelves, ensuring availability of items and minimizing customer wait times

Waiter   Nov 2020 - Mar 2021
Miss Korea Kitchen   *Melbourne, VIC*
- Provided excellent customer service by seating and serving customers, ensuring a pleasant dining experience
- Managed phone call orders, accurately taking and processing customer requests to facilitate smooth operations
- Demonstrated strong teamwork and communication skills to coordinate with colleagues and deliver seamless service to patrons
